The Bike Store 6ft 7in x 2ft 8in Storage Shed by Walton is the perfect place to store your bicycles and other outdoor equipment. Many people want a dry and secure outdoor storage space but do not have or want a large garage. This bike store solves that problem and will look great in any garden and hardly takes up any room.

Manufactured using FSC-approved tongue and groove timber, the Bike Store is a thin secure storage location that features a set of solid double doors for quick and easy access, with a charcoal mineral felt-clad Apex roof ensuring that no water can seep inside and your belongings remain dry and secure.

The Double Doors are secured with a pad bolt.
