Dear Mrs Buckland,

I have just received Arboricultural comments regarding your application for tree surgery at 28 Kingsmead, Felpham.

As it stands, the application is set to be refused as it is believed that the works would undermine the amenity value of the trees.

However, the Tree Officer has made an advisory that if the request for thinning and crown reduction works were removed from the application, the application would be looked upon favourably. This would allow you to perform the 4m crown lift only. Please note that deadwood removal from the tree does not require consent.

Do you accept the change in description?

Please reply within a 2 weeks.

Yours sincerely,

Z Denton
