Dear Mr and Mrs Barnes,

In answer to your questions you should not receive a decision any later than the 28th October. If there are any issues ie: needing amended plans so re-advertisement is needed then it may be extended (which would be agreed with you beforehand). However I currently do not foresee any issues with the application and therefore do not anticipate a further extension.

We are not allowed to recommended a decision before the consultation date has ended as to ensure that we have all representation from the public should they wish to comment. There is a gap between the consultation date and the decision date as due to our procedures we must allow 2 days from the end of the consultation date before we issue a decision. This is to ensure all comments that have been received, have been uploaded online for the officer to take into consideration into their reports. In some instances if comments are sent to us on the last day of consultation it may not be uploaded in time and seen by the officer if the decision was issued the following day.

I have requested a few extra days to allow my manager time to sign off the application however the 28th October would be the latest decision date.

I hope this helps

Thank-you

Dear Amber Willard

Thank you for your email. We wondered if we could ask a couple of questions please.

Before we agree to the new date, please can we clarify whether this means we will have a final decision by the 28th October- or will there be further delays? Also, we were wondering why there is a gap between the end of the consultation and the decision date?

Kind regards

Mr and Mrs Barnes

Dear Mr and Mrs Barnes,

I am the case officer on your application FP/189/18/HH at 10 Fittleworth Drive.

I am writing to ask for an extension of time until the 28th October . Due to delays in the validation process the current decision date is the 9th of October, however, the consultation period runs until 18th October , therefore a decision cannot be made before this date.

Please let me know if you agree to the 28th October.

Thank-you

Kind Regards

Amber Willard
