Dear Mrs Honey Bayes

I would like crown lifting & reduction & some pruning of all 3 Tree's at the above property, marked on my plan as T1 Evergreen Oak, T2 Lime Tree, & T3 English Oak.

- ① T1 Evergreen Oak. Crownlift to 2.5 Metres
- ② T2 Lime Tree. Prune back up to height of 5 Metres & reducing away from the house, to provide a 1-2 Metre Gap.
- ③ T3 English Oak, A crown reduction to provide a gap of 1-2 Metres away from the house.

The reason for the works, is because they are over hanging from my property, & into the road.

Yours Sincerely
