We enclose our clients Planning submission in respect of the above, together with pdf copies of each of our drawings 1711 P 01 Upper Bognor Road location and block plans, 02 Felpham Way location and block plans, 03 Flansham Road location and block plans and 04 Middleton Road location and block plans together with context sign details and validation check lists.

We anticipate the submission will be £ 192.50, should this not be the case please inform us by return. Our clients payment to follow.

The proposals are for four road side Gateway signs to promote entry points of the Parish boundaries. The Parish have developed a series of high quality images of the Village context. Gateway signs are a visual informative to promote the local Heritage, Leisure and Wellbeing of the Community, to passing commuters and visitors.

The scale and volume of the sign panels are in keeping with the settings and compliment the scale and massing of the street scene. The proposals will not affect the amenity of neighbouring property and will achieve high quality in design.

Yours sincerely
