Dear Planning,

Environmental Health have no objection in principle to this application. However given the close location of other residential houses, Environmental Health would require the following conditions to be placed on any permission given:

1 No construction activities shall take place, other than between the hours of 8:00am - 18:00 Monday to Friday, 08:00 – 13:00 Saturday and no working activities at any time on Sundays, bank and public holidays.

Kind Regards

Tendai
