Thank you for your questions

The work has started based on original plans and the wall taken down. However, the cost to rebuild using full brick is an issue which is why this request.

The photo is of another property where the wall faces the road number 44 Blackthorn avenue Felpham.

Pilar width is 34cm height 190cm same as existing wall we currently have
Distance between pillars is 260cm
Brick work is 70cm high
Fence is 105cm high
Pillar over hangs fence by 15cm

Many thanks
