Dear Mr Bell,

I hope to be going through the application hopefully this pm. The parish have raised no objection and I am not aware of any objections from local residents.

Once written up I will pass it to a colleague to review my recommendation.

Regards
Karl Roberts

Dear Mr Roberts,

I've tried unsuccessfully to contact you, hoping to find out whether this planning submission is progressing satisfactorily.

The due date for a decision was yesterday – could you please confirm where we stand with regard to the decision, in particular whether we can expect an approval.

Thank you for your letter of 17th September 2018.

In response, we confirm that the amended description is satisfactory, and attach revised site plan drawing APL 01.2. This drawing has been revised to show the dimensions to the site boundaries, and to differentiate the new extensions from the existing building.

We trust that this is sufficient to validate the submission.
