Leeza,

In reference to the above application I can only apologise for the lack of correspondence.

This particular application has been reallocated due workload reasons, therefore I have not yet had opportunity to visit the site and the neighbour. The earliest we can have a decision with you would be the 29th October 2018.

With this in mind would you be aggregable to an extension of time for decision until 29th October 2018?

Kind regards
