Leeza,

I regret the further email!

In accordance with Section 2 of the Neighbourhood Planning Act 2017 and as a result of Felpham having a Neighbourhood Plan we are obliged to re-consultation Parish of these changes. They have been given 21 days (until 06 December 2018) to provide any additional comment to me on the application. I am hoping they will reply to the email as no objection but in the absence of this we will have to wait the full 21days before a formal decision.

A final extension of time until 6th December 2018 would allow for the delay, and again I am sorry for the further news!

Thanks very much

Hi Stuart

That is fine.
Could you let me know if you think there is an issue with the scheme, once you have visited the site.

Leeza,

My apologies. The decision date of 29th Oct will not be met as I have had difficulty gaining access to the rear garden of the neighbouring occupier. I hope to visit the site during the PM of Monday 29th and shall work towards a following assessment..

A further extension of time until Monday 5th November is a more realist time frame for reaching our decision.

Thanks very much

Leeza,

In reference to the above application I can only apologise for the lack of correspondence.

This particular application has been reallocated due workload reasons, therefore I have not yet had opportunity to visit the site and the neighbour. The earliest we can have a decision with you would be the 29th October 2018.

With this in mind would you be aggregable to an extension of time for decision until 29th October 2018?

Kind regards
