Dear Mr. Crowther,

My name is Helen Ward, I am a long-term tenant living at flat 2, Sans Souci, on the corner of Sea Road & Outram road in Felpham.

It has been brought to my attention by neighbours that there is a planning application by the owner/ landlord of 'Verona', in Outram Road, for a 2-storey extension to the rear of the property.

My flat has a roof terrace, which is my garden, where i spend a lot of my time in the spring,summer & autumn months. This planned extension would be very close to the flat & would block out both the light & view for me, as well as for several of my neighbours.
I would like to register my strong objection to the planned extension.

I believe the plan is not for the benefit of the current tenant of 'Verona', but for the potential of the landlord to increase his rental income, without consideration for the detriment to his neighbours.

Please consider rejecting this application on the grounds that it will have a negative impact for a number of surrounding residents.

Thank you for your attention,

Helen Ward
