

Ref: SBS/128

13th February 2013

Flood Risk Assessment for the Proposed Extension to 9 Rife Way,
Bognor Regis, West Sussex.

The proposed extension is to the front of the property extending an existing bedroom by approximately 2m. Floor levels will match those of the existing building.

The extension will not increase the risk of flooding in the area and will be at no more of risk to flooding than the existing building.
