On receipt of this letter, if you have any concerns about the way that the Council has described your application, you should contact the case officer: Amber Willard, who is dealing with your application. They can be contacted by email at amber.willard@arun.gov.uk.

You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning.

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 26th February 2020. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

You need to be aware that there is no right of appeal against the Council's decision on this particular type of application.

Please be advised that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging schedule on 15 January 2020. The CIL charging schedule will come into effect on 1 April 2020. Your application may be CIL liable. Therefore, please familiarise yourself with the CIL charging processes at www.arun.gov.uk/cil. For further information please contact your case officer.

This acknowledgement only relates to this application and not to any other applications you may have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required please visit the government's website www.planningportal.co.uk or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see www.arun.gov.uk/buildingcontrol/

For details of how the Council will deal with your data please refer to our privacy notice called privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

Please do not hesitate to contact the case officer if you have any queries.

Yours sincerely
