Dear Ms. Tomalova,

I understand that my fellow Director of Summerley Estate Management Company Ltd (SEMCO), Mike Burgess, has been in contact with you to share his concerns regarding flooding / drainage issues in connection with the above proposed development.

As he may have mentioned, we are more than happy to share the data on drainage issues on Summerley which we have gathered over the years, working in conjunction with Southern Water, Portsmouth Water and of course ADC.

Please get back to us if that would be of help.

With thanks and regards,  
Andrew Fells – Chairman SEMCO.
