Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/212/20/OUT
Site Address: Pipers Croft 6 The Loop Felpham PO22 7ND
Description of works: Outline application with all matters reserved for 1 No. 4 bed detached dwelling.

Thank you for your internet representation made on 24th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31616

We would like to register our objection to the proposed development at 6 The Loop.

Our objections are:

1. Overdevelopment, with an excessive footprint.
2. The proposal builds within the boundary of the pond ditch, an essential component of the water drainage system within the estate. This has historically been preserved to prevent flooding.
3. Trees that supported the local bird and bat life have recently been removed in order to ease the planning process. No provision appears to have been made to counter this.
4. The plans appear to suggest that the land extends beyond the existing fence line, to include the Sea defence bund. Can this be correct as removal of the bund would seem to be reckless?
5. No notice has been given to those of us directly attached in Jacken Close.

For the above reasons we object to the the application.

I urge you to come and look directly at the proposal with a view to how it will impact negatively on the local environment.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
