Subject: 6 The Loop Summerley Estate Felpham

Planning application FP/212/20/OUT

6 The Loop Summerley Estate Felpham PO22

I have attempted to give my comment on this application but you fail to trace any application on the information I have given.

I do not understand how I am supposed to know the name of the applicant or his agent if there are no notices displayed on the site.

Kindly register my objection to the proposed construction of a detached house to the rear of 6 The Loop.

Grounds because it I have lived on this estate for 36 years and have always understood this land to be undeveloped represented a route for flood relief of excess water within the estate.

sewage what This estate has for years suffered poor drainage and you probably know of the renewed overflow of waters at the junction of Limmer Lane and Jacken Close. Additional development will simply aggravate is already a system not fit for this century.

Thus, a totally Access to the back land will presumably be taken by removing an existing garage from 6 The Loop. inadequate access will be created too close to 5 or 7 The Loop.

constitute To change the outlook of numbers 5,6 and 7 The Loop is unacceptable and the new house would overdevelopment in this location.

required period. Can you confirm that statutory notice of the application has been displayed on the site for the

As at today's date no notices are displayed on the Loop frontage or the seafront.
