Subject: FP/212/20/OUT Pipers Croft 6 The Loop

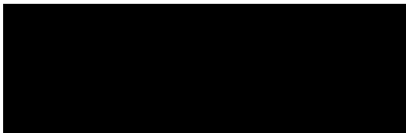

Description of works: outline application with all matters reserved for one number. 4 bedroom detached dwelling.

Dear Mrs Tomalova,

I am writing to lodge my objection to the above application on the grounds that it will seriously effect the already over burdened drainage and flooding problem that we have on the estate.

During very heavy rainfall and storms. The Loop always gets hit by the worst effects from flooding every time including irruptions of sewage onto the surface water drainage system. Which in turn gets washed up on our beautiful beaches.
This planning permission must not be allowed to go ahead.

Yours faithfully,
Marcus Wodehouse
