Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: FP/212/20/OUT
Site Address: Pipers Croft 6 The Loop Felpham PO22 7ND
Description of works: Outline application with all matters reserved for 1 No. 4 bed detached dwelling.

Thank you for your internet representation made on 1st December 2020 which has been recorded as an objection with the comments as follows:

OWPC31830

I would respectfully request the following points be considered when reviewing this application

- Flood Risk - Both from rainfall and sea water - the location is already within a sensitive flood area.

- Drainage - Unnecessary development would be inappropriate creating unneeded strain on an already over stretched infrastructure

- Potential contribution to sewage contamination during times of heavy rainfall and overburdened sewer systems

- Over development - This opportunist "infill property" proposal would have a negative environmental and visual impact on the immediate locality with increased light and noise pollution.

- Suitability of access and parking

Your views as made above will be considered before the application is determined.
