Dear Mrs. Tomalova,

**OBJECTION TO PLANNING APPLICATION FP/212/20/OUT
"PIPERS CROFT" 6 THE LOOP, SUMMERLEY PRIVATE ESTATE, FELPHAM.**

I have tried on two occasions to my objection by e-mail to you and the Planning Department only on each occasion to receive a message informing me that all messages to the given addresses are being blocked, hence this letter.

I have noted on several occasions that that The Loop has become badly flooded and has resulted in an overflow of unacceptable raw sewage which then finds its way into the surface drains and thereafter carried to the sea and beach not a healthy situation by any standard. It is my opinion that to permit the use of the land as detailed for a new large property will only serve to worsen an already unacceptable situation. I therefore wish to record my objection to this application.
