OBJECTION TO PLANNING APPLICATION fp/212/20/OUT  
"PIPERS CROFT" 6 THE LOOP, SUMMERLEY PRIVATE ESTATE.

Dear Mrs.Tomalova, although I live on another part of the Summerley Estate I note with dismay that a Planning Application has been submitted for a large new property.. I have noted that on several occasions The Loop has often been badly affected by flooding resulting in an unacceptable overflow of raw sewage which inevitably finds it's way into the surface drainage and ultimately carried to the beach and sea, not a good or healthy situation by any standard. In my opinion permission to permit the use of this land for a new property will only serve to worsen an already unacceptable situation. I therefore wish to record my objection to this application.
