Dear Ms Tomalova,

As a follow-up to SEMCO's letter dated 20 November, we now attach the "Flood Map for Planning" issued by HM Government, which clearly shows (if further evidence is needed) that the subject proposed development is located in a flood zone. The relevant data source is <https://flood-map-for-planning.service.gov.uk>.

I have not been able to submit this communication via ADC's website as it seems to have no facility for the forwarding of attachments. I would therefore request that you arrange for this email and attachment to be uploaded to the website.

Thank you.

Yours sincerely,
Andrew Fells, Chairman,
Summerley Estate Management Company Ltd.
