Subject: Planning Application - Work on Tree - FP/218/12/T

Your Reference:- FP/218/12/T

Dear Ms Garner

I refer to your email of 12 November 2012, and our subsequent telephone conversation, and now provide the information you requested.

The branches on the tree at present start at approx 4 metres from the base of the tree, and I would like to lift this line to about 6 metres.

I hope this is sufficient for you to consider my application further, and look forward to hearing from you.

Regards
Keith Bevan
