

Please upload as substitute plans for FP/218/19/PL

Dear Amber,

I have consulted with my client and following your email we have adjusted the size of the garage to give the 3.0 metre internal width that WSCC sought. The depth of the garages remain unchanged

I therefore attach a copy of revised plans and elevations which I would be grateful if you could substitute those already in your possession.

Please let me know if you have any further queries.

Kind regards,

Chris Moore

Dear Mr Moore,

I am the officer on the application FP/218/19/PL at Abergail, Clyde Road.

I have received a consultation response from West Sussex in which they require a modification to the plan. I attach this above.

Please can the amendment be submitted and then I will re-consult.

Thank you

Amber
