Dear Mrs Johnson

Application No FP/21/17/PL

Following my discussion with your colleague, Mrs Coney, earlier today, regarding your letter dated 2nd February, I hope I have covered all the points in my latest submission.

I have submitted hard copies, four of each, of all the required drawings as I had to make various changes. In addition I have also delivered the biodiversity and Local validation checklists along with the Design and Access Report and Flood Risk Assessment.

With regards your question concerning a Hawthorn tree there are no trees on the proposed site. So I can only assume that it was removed prior to my involvement in the site.

Should you require any further details please do not hesitate to contact me.

Yours Sincerely

Paul Taylor
