Dear Ms Willard,

With reference to the attached document there appears to be an error with the application, when I filled it in, I used the wording below, however, the part about the cladding is missing.

Remove old roof tiles, battens and felt, fit new membrane and battens then tile again Marley Mendip Rustic Red which will be a small colour change but it is concrete for concrete. Original tiles are Marley Mendip brown

The ground floor is brick and the upper rendered, the upper floor is to be membraned, battened then covered in a Kavex light grey 150 V-joint embossed cladding

Can I ask you to contact me please [REDACTED]

Regards

Darren
