Dear Hannah

FP/225/21/T REF: OWPC41756

I am pleased to show below the report and accompanying image from Felpham Parish Council's Tree Warden, Jon Bray to support the objection raised to this application:

2A Blakes road: Requested work to holm oak seems somewhat invasive. The oak looks to have been regularly managed in the past, due to the clear shape and size, which in keeping with the property's well managed front garden. I would suggest trimming the newer growth of this oak's canopy but to avoid pruning any hardwood stems, unless they are dead, diseased, or damaged.

Many thanks for your assistance.

Kind regards

Nicola Meaney
