Dear Miss Rawlins

Further to our telephone conversation of Friday 22nd February, I am attaching the additional documents required for the Application for works to trees at 8 Ceres Place Felpham Po22 7RG.

In addition, I would like to advise that my garden is a plot which is narrow in depth but overfilled with seven large trees. I am now very concerned for the condition of the two Sycamore trees and their close proximity to the rear of the house, especially the growth and spread of the roots.

I would like to develop the garden in the future.

Thank you for your consideration

Karen Brown (Mrs)
