Hi Hannah,

Yeah of course, I was under the understanding by the client that the trees were protected.

Many thanks
Kyle

Dear Mr Homer,

Please see below an email from the Council Tree Officer regarding the T application for Wey House (FP/22/22/T). He has found that neither of the trees are subject of an individual TPO and so will not need permission from the Council in order to carry out the works. Would you be able to let me know whether you are happy to withdraw the application?

Kind regards,

Hannah Kersley

Proposal 1no. Atlantic cedar (T1) - Crown reduction to height 12.5m and spread 10m. 1no. Norway maple (T2) - Pollard the crown to height 4.5m and 2.5m.

Location Wey House, 77 Downview Road, Felpham, PO22 8JB

I have undertaken a desktop review of Tree Preservation Orders which may affect this plot. My understanding is that only Bognor No5 (Area Order) could apply. Neither tree is described or illustrated on the associated Schedule and Plans.

I do not believe either tree is of sufficient public amenity value to justify the making of an individual Order to control its management. Our consent to carry out the proposed work is not required.

My recommendation is that the applicant be advised to withdraw their application and proceed without further recourse to this Authority.
