Neil,

I attach an advance copy of a covering letter which has been sent to you today in the post. A cheque is enclosed with the letter as well as a Local Plan - attached to this e-mail. Can you please send the pdf plan to your Admin Section so that the Portal Plans are collected together in one place?

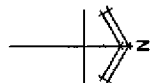

Many thanks.

Dear Mr Crowther,

Amendment to the proposed bunds and fencing, granted planning permission under FP/220/07, to allow footpaths FP2988 and FP154 to be retained in their present position in crossing the Bognor Regis Relief Road.

Ref: PP-02269210

Further to initial discussions with Paul Stack and Delwyn Jones following the appeal dismissal into the Footpath Diversions for FP 2988 and FP 154 and to your more recent meeting with our client BDW represented by Glenn Gasson and my colleague Graham Beck earlier today, please find attached an application to amend the current permission FP/220/07.

A cheque for [REDACTED] is attached whilst all the plans and supporting information have been submitted via the Planning Portal.

Please note that the Location Plan submitted via the Portal is incorrect and should be replaced by drawing ref: PLAN-LOC/121107 drawn at 1:5000 scale @ A2. An electronic copy has been sent to Neil Crowther whilst an A4 copy is attached to this letter for reference only. (Please do not scale).

If there are any questions or you require any clarification please contact me.

Yours sincerely [REDACTED]
