Dear Chris

I'm sorry for the delay. However the application is still in a queue and I have 17 to do first that are older than yours, some of which are large majors. I think that we are looking at a decision sometime mid to late February and I would be grateful for an extension of time until February 28th.

Kind Regards

Hi Simon,

Can I ask, are you able to let me know the state of play with the above application? Looking at the web site the date for decision has passed back around Christmas time.

Grateful for any information – I look forward to hearing from you.

Kind regards,

Chris Moore
