Hi Nicola,
Just opened it and has all info on it so not sure what 's happening there?
Please try the attached new one I've downloaded from the planning portal.

Have checked app form several times now - can't see anywhere that it says 0.8m2? says 12.8m2? Please advise...

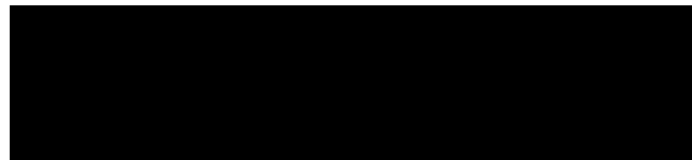

I've attached a copy here for you to look at and changed 2 parts that I think may not have been correct, but to be honest although I fill these out all the time I never have any idea whether my answers are correct or not as the form is incredibly unclear and over-complicated at section 17! Not sure who originally wrote it, but they badly need to re-think it to make it clear....

To clarify we are not adding anything in terms of space - just changing the use so can you have a look and let me know what numbers you want and where if still not correct.

Kind regards,
Matt

Good Morning Matt

The attached CIL form is blank, please could you re send it.

Also, I have attached a copy of the email sent on 29th October. Please could you check Section 17 of the application form and confirm if correct, or amend accordingly and re submit.

Kind Regards

Nicky Moore

Hi Nicola,

Just noticed this has been overlooked and not validated - applicant is desperate to start trading asap so I have attached again the CIL doc with a view to getting validation asap.

Please confirm receipt etc.
