Dear Mr Bano

Prior notification for one additional equipment cabinet, together with moving the existing equipment cabinet approximately 7 metres to the north west for safety reasons and ancillary development thereto.
Grass verge north side of Felpham Way Felpham

Notice of Decision

I write to advise that, after careful consideration of your notification, the Local Planning Authority has determined that prior approval is not required for the siting and appearance of the proposed installation. In this case, the Local Planning Authority raises no objection to the proposal and considers that it would comply with West Sussex Structure Plan Policy NE23 and Policy DEV41 of the Arun District Local Plan.

The determination has been made by the Development Control Committee. A copy of the associated report is attached here for your information.

Yours sincerely

Cantwell
