Susan,

We have received a request from our client to include an additional 2 visitor parking spaces to our application. Amended layout is attached. The signage to this location has been reconfigured to suite. The following is a list of signage types and numbers being applied for;

Sign Type A. Visitor Parking. X 6.
Sign Type B. 5 Year Warranty. X 3.
Sign Type C. Part Exchange. X 1.
Sign Type D. Help to Buy. X 1.
Sign Type E. Welcome Monolith. X 1.
Sign Type F. Health & Safety. X 1.
Flag Poles. X 11.
Marketing Suite. Fascia and Chrome Logo.

We hope that this will now clarify the proposals that we are applying for.

Regards

Chris

Dear Mr Ingram

I am very confused. Please can you confirm the exact number of signs that you are applying for and the exact location where they are going. Are you having flag poles or not? There appears to be a discrepancy between the application and the site layout plan drawing number 5A/121114 rev C

Susan,

Please find attached copies of our amended marketing suite drawing and application forms. As detailed in my previous email the drawing and forms have been amended to correct the colour scheme of the signage and fascia details from white on green to white on blue.

We would request that the replace the previously submitted drawing and forms with the attached.

Regards

Chris
