Dear Susan,

Our client is in the process of receiving details of the proposed signage from their supplier. We will forward this upon receipt. In the meantime we have attached details provided of similar signage for another site.

On preparing this we have noted that the detail description of the signage and the marketing suite is based on the Barratt Homes colour scheme, white on green. This should in fact be for David Wilson, white on blue. We shall amend the forms and marketing suite drawing and reissue. We hope that this will not cause any undue inconvenience.

Regards

Chris

Dear Mr Ingram

In order that I can progress your application, please can you send me a plan showing details of the flag poles and sign types A, B, C, D, E and F, the only detail I have is of the fascia sign.
