Michael,

No objection is raised to the amended plan. I would note that the installation of the guard railing has the potential to restrict/make difficult movements by adaptive bikes/trailers/tandems but this would be balanced against the need to restrict motorcycles utilising the link.

Stephen

Stephen,

Please find attached the revised layout plan from the applicant for FP/239/19/PL.

The proposed amendments will help to deter motorcyclists from motoring at speed around the vehicular gates.

I look forward to receiving your response.

Kind regards,

Michael
