Subject: Details of Planning decision on Application Ref: FP/239/19/PL at Felpham Site 6

Dear Sir/Madam

Thank you for the details below. The WSFRS have no objections to the change in design as proposed and approved. The only request is that and padlock used to restrain the gate is accessible to enable the FRS to cut the padlock in an emergency to gain access and not contained within a vandal proof type box arrangement.

Regards

David
