Dear Chris,

Can you confirm the number of parking spaces now proposed please. I note that FP/195/18/PL stated two spaces however, with the changes to the access it is not clear how many can be accommodated off road. Please also be aware that as according to our new Parking Standards SPD, the requirement in this location for a 4 bed dwelling would be 3 spaces and the garage cannot be included as it measures less than 3m by 6m.

Kind Regards
