

4. RIFE WAY

FELPHAM

BOGNOR REGIS

PO 22 TBW.

10th DECEMBER 2016.

REF:- PLANNING APPLICATION FOR OLIVE TREE
COTTAGE. FP/245/16/PH.

Dear Sir.

Due to this application being very similar to the previous one, I would like to register my continued objections.

Since the cafe/playground etc has been open, I have noticed the following:

by many more cars parked on both sides of all local roads i.e.

LINKS AVE

NORTH WAY

EASTOVER

RIFE WAY.

resulting in difficulty traversing
links are, and at times the other
roads. This causes difficulty for
residents accessing their properties

2, There are no special parking
facilities at the property, so
patrons park anywhere, including
the crossroads outside the property.

3, The crossroads is used very regularly
as a turning place making it very
unsafe especially for pedestrians
trying to cross, as there are no
road markings

4, The venue is also being advertised
as a Restaurant and evening
meeting house for similar
organised charities etc.

All of the above is not suited to
this residential area.

Yours Faithfully

R L DARRANT.
