21st December 2016

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Retention of mixed use C3 (residential) and Sui Generis/Community open house as a personal permission with existing sheds to front garden - Resubmission of FP/171/16/PL.

Olive Tree Cottage 40 Links Avenue FELPHAM

Thank you for your internet representation made on 21st December 2016 which has been recorded as '**an objection**' with the comments as follows:

Because of the restraints of Arun Planning Procedures this is the second part of our objections.

It would appear from the addresses given in support that many supporters of the Olive Tree Project travel a great distance to Olive Tree Cottage. Some maintain there is no other place that offers help and advice for the customers in a safe environment. There are in fact several Organisations throughout Sussex that offer help and advice. Some including sensory rooms and kitchen facilities and accessible play equipment for disabled children.

This application is very emotive, whilst I'm sure the applicants have the best of intentions it is in a residential area. The applicants are now appealing for help to supply furniture to people whom, for whatever reason have lost their accommodation. Again, whilst commendable, they are offering food parcels to people who need them. These facilities are not mentioned in any supporting statement submitted with this application. Will this activity mean people calling at The Project at various times during the day? There are already large multinational Supermarkets supplying food parcels to needy people.

These planning applications are a very well constructed and thought through business plan for a commercial enterprise. Whilst their intentions are worthy of merit they are not conducive to a residential area and environment.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
