Dear Michael,

Thank you for consulting Sport England in respect of the revised details relating to the sports pitch and changing facilities at this site.

Sport England's role in this application is a non- statutory one and we have had very little involvement in its earlier phases. However, I have consulted the Football Foundation for its thoughts on the changing facilities and it has advised as follows.

The changing rooms are not ideal. There is a clear line of sight from the lobby area into each changing room. There's only 1 officials changing room.

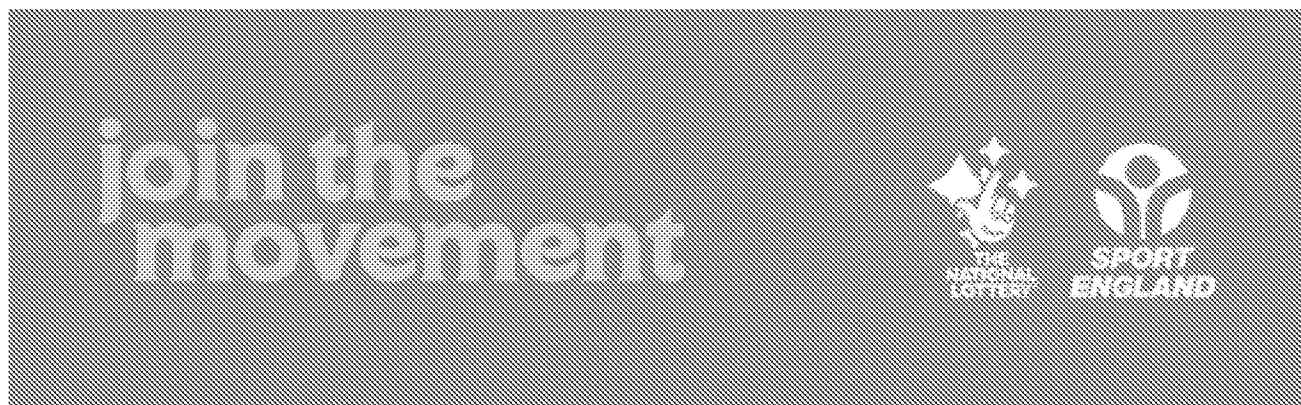

Looking at the site plan, there's only 1 pitch, so why are 4 team changing rooms proposed, only 2 are needed. The kitchen would also be better located on the edge of the building and use of external hatch to serve refreshments.

I hope that these comments are of use to you and the applicant. If you would like any further information or advice please contact me at the address below.

Yours sincerely,

Jo
