3G STADIUM CLUB GOAL - SENIOR FBL-548-C

Harrod Sport 3G Stadium Club Goal uses the same unique design of the 3G Stadium Goal, with added 'D' shaped elbow brackets for use with a standard profile net rather than box shaped one.

Features and Specifications

Features:

Fully welded corner joints provide superior strength and added safety.
Micro adjustable foot on each upright allows exact upright height.
Socket wedges ensure posts are held firm in the socket with no movement.
The professionals choice for National Stadiums and Major Tournaments.

Specification:

- Size 7.32m x 2.44m.

Uprights & Crossbars made from 102mm x 110mm reinforced aluminium

- Uprights & Crossbars made from 102mm x 112mm reinforced aluminium.
- Zinc plated internal steel fixing plate incorporating corner net clamp.
- Stainless steel bolts throughout.
- Polyester powder coated white.

Please see the 'SIZE OPTIONS' tab for all size options and related products available, as well as a list of extras and spares.

Please Note: All recommended nets and extras must be purchased separately (unless stated otherwise) and can be found listed below each goal within the size options tab.
