Hi Michael

The fencing detail contained in the drawings ref below would appear suitable for location and application, specifically the knee rail, rebound and pond fencing.

The ball stop netting I am not familiar with as a product and I would recommend that further detail be provided (if not already) re posts, fixings, mesh type and perceived lifespan. I would also recommend that detail is submitted re maintenance requirements for this going forward, particularly in light that the LPA would be looking to take on the maintenance along with the sports facilities.

- Drawing No. BDWS23254 11 **Rev. B** - Hard and Soft Landscape Proposals (Sheet 1).
- Drawing No. BDWS23254 11 **Rev. B** - Hard and Soft Landscape Proposals (Sheet 2).

Any additional comment/observation I will leave to Joe to confirm.

Regards

Sue
