Mr Tutton,

Thanks for your e-mail.

Our consultation with Felpham expired on 25th June and we give an additional two days to allow any comments received to be uploaded. Unfortunately I was not in a position to determine the application on Friday due to other work commitments. Obviously I would appreciate confirmation on an extension of time to cover a decision until tomorrow as I need the agreement of the Head of Planning (in accordance with the report update circulated at Committee) to issue the report.

Dear Daniel Vick

It is apparent from your Council's web-site that this application has not been progressed since the Development Control Committee accepted your favourable recommendation on 5th June. Our client Chris Kleanthus would now welcome receipt of the notice that gives effect to the favourable resolution that was made by Members on that day. Thank you.

Kind regards,

Robert Tutton
