Technical Support Unit on extn. 37711

5th December 2019

Dear Miss Joanne Massey

Development:

Adaptations to the west access and the early years access of the school.

- Existing west access to the site to be altered to allow for vehicular access for emergency and maintenance purposes only. Drop kerb formed to allow for vehicular crossover, area to include a new area of secure bin storage for the school.

- Existing early years entrance gate to remain. Waiting area to be fenced off, separating it from the public access and existing vehicular entrance areas.

These proposals are allowing for a designated entrance for only pupil (except early years) with no entrance to the public or any vehicles. This will allow for a much safer and more manageable drop off and pick up than what currently existing.

Location:

Bishop Tufnell C Of E Junior And Infant School Pennyfields Felpham
