Dear Ms Holmes,

This email is in response to the voicemail you left me yesterday.

I have spoken with Mr Warwick (The Council's Arboriculturalist) who has agreed that the following tree types would be more suitable for the location:

- Stone pine – *Pinus pinea*
- Swedish whitebeam – *Sorbus intermedia*
- Holm oak – *Quercus ilex*

Please do not hesitate to contact me with any further enquiries.

Kind regards,

Z Denton
