Dear Ms Aldis-Hobbs

25th October 2017

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission for Works or Extension to a Dwelling

Development Two storey rear infill & two storey side extension for loft conversion with 2 No. dormers at rear & 1 No. dormer to front.
Location 22 North Way Felpham

Thank you for your recent application which I received on 16th October 2017. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Please confirm the amended description is satisfactory.
Flood Risk Assessment

This application requires a Flood Risk Assessment. The Environment Agency website provides information on what should be included and provides templates for some of the lower risk applications. Please refer to the Local Validation Requirements for further details and contact details for the Environment Agency.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **8th November 2017** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty

meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
