The Planning Dept.
Arun Civic Centre

Enclosed is a comment on planning application FP/25/13.

I should be grateful if you would confirm that it will be put
before the Committee.

Many thanks,

Fleet Cottage
FP/25/13

From Mr & Mrs Barry, 11 Copland Road.

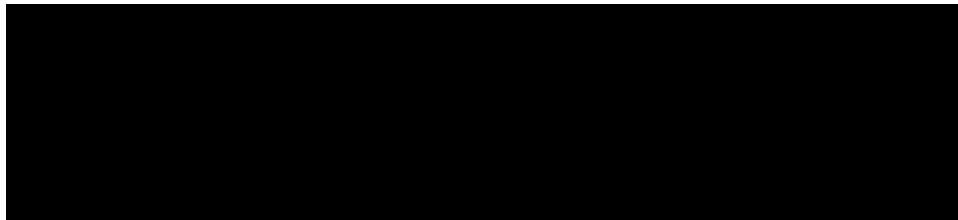

We strongly object to the proposal to demolish this house.

Fleet Cottage is an attractive house, one of a number of pre-war houses surrounding the green. The green is used for estate functions and as a play area for the children.

With the country's debts increasing at an unsustainable rate no house should be demolished. Particularly as this can be a dodge to avoid tax.

Our house (built in 1923) was purchased 2 years ago. We have made extensive internal changes without altering the outside and sacrificed part of the rear garden to avoid parking cars in the front garden.

Building work puts lives at risk, especially children's.

21st March 2013.
