Good morning,

Thank you for your letter.

Regarding:

***Please confirm in writing your acceptance of the amended description.***

***Single storey side/rear extension and conversion of garage to habitable use with alterations to fenestration and rendering***

The garage is not to be habitable it has altered to provide a hall / means of escape from the wardrobe/storage area via the courtyard.

Therefore perhaps a better description would be:

***Single storey side/rear extension and conversion of garage with alterations to fenestration and rendering***

My team are working on adding the required dimensions to the title plan.

Which I will get back to you ASAP :)

Kind regards,

**Mitchell Johnson**  
Architectural Designer
