Dear Mr D Bennett,

Town & Country Planning (Development Management Procedure) (England) Order 2015
CIL Regulations 2010 (As amended)

Application for Planning Permission for Works or Extension to a Dwelling

Development: Construction of dormer extensions to first floor east and west elevations to provide bathroom, shower room and wardrobes, detached double garage in northwest corner of the site.
Location: 15 Kingsmead Felpham PO22 7BD

I refer to the above application currently undetermined.

This letter is to inform you that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging Schedule on 15 January 2020 and agreed that it would come into effect on 1 April 2020.

I am writing to inform you that if this application is determined after 1 April 2020 (including the completion of a signed S106, if required) CIL will be applicable to this development.

If it is likely that your application will not be determined until after this date, it is advisable that you familiarise yourself with the CIL charging process and submit Form 1: CIL Additional Information to your case officer, in the first instance.

Please be aware that failure to submit the correct CIL forms for a CIL liable development will result in additional charges, as set out in the CIL Regulations 2010 (as amended).
