

6 The Martlets
Shoreham by Sea
BN43 5UN

Ref. FP/268/17/PL

4/12/2017

I am objecting to the planning application for the above on these grounds

1. Too Big a building for the site (which it completely covers) and for the surroundings
2. Style not in keeping with local area / buildings
3. Too near the prom & sea wall
4. Gull Point name already exists
5. Excessive height, cleverly disguised by one of the photo angles
6. Erroneous to call newbuild 3 storeys. It is four and will be higher than the existing Gun Post (newish) roof.
7. Noise nuisance for adjacent buildings. Should be subject to similar restrictions as for the Beachcroft hotel. Yours
